

FERRARI CLUB OF AMERICA

Futuro Classico

November 8th, 2021 – FCA 2021 Annual Experience, Sebring Florida

Name of Entrant: _____

Year _____ **Model** _____ **Serial Number** _____ **Color** _____

Copy of FNA Invoice or build sheet received: Y/N

Note: Evaluation cannot proceed without two copies of the original invoice (which is available from the selling dealer) or the build sheet (which is available from any dealer); it is required to correctly ascertain exactly how the car was originally delivered to the original purchaser. (Note that the yellow window sticker is NOT acceptable. It must be the build sheet or the original invoice.)

A. Part A- Photo Evaluator:

Note that the Photo evaluator, with an assistant, will help the entrant prepare and lay out all items ahead of time)

- Vehicle VIN plate at top of steering column
- Futuro Classico meet display placard
- Right and left side of car
- ¾ front view showing wheel and front fascia
- ¾ rear view showing wheels and exhaust outlets
- Interior, front (left and right side) showing steering wheel, dash, transmission , seats
- Interior, rear (left and right side) showing seats or package area (seats folded forward)

- Unique interior plaque / number plate
- Engine compartment, right and left side
- Trunk area, empty
- Glove box, empty
- Non-standard exterior modifications (including engine compartment, wheels and tires)
- Non-standard interior modifications (if any)
- Any other visible options not already included in photos already taken

Following items must be displayed on a light colored protective sheet for photographing, either behind or in front of the car being evaluated

- Books and other documents
- Tool cases and other maintenance items, opened
- Cloth bag and contents, individually displayed

Note: individual images named with model, year, VIN, image sequence letter from above

Any "No" answer in B, C or D disqualifies. "NS" = not originally supplied.
