

Future Classico

September 22, 2025 Ferrari Club of America Annual Meet, Charlotte, NC

Name of Entrant: _____

Year: _____ Model: _____ Serial #: _____ Color: _____

Copy of FNA Invoice or build sheet received: Y / N

Note: Evaluation cannot proceed without two copies of the original invoice (which is available from the selling dealer) or the build sheet (which is available from any dealer). It is required to correctly ascertain exactly how the car was originally delivered to the original purchaser (note that the yellow window sticker is NOT acceptable - it must be the build sheet or the original invoice).

Part A – General Overview

All items need to be laid out ahead of time.

- Vehicle VIN on dash
- Futuro Classico meet display placard
- Unique interior plaque / number plate
- Trunk area, empty
- Glove box, empty

The following items must be displayed neatly either behind or in front of the car being evaluated

- Books and other documents
- Tool cases and other maintenance items, opened
- Cloth bag and contents, individually displayed

Any “No” answer in B, C or D disqualifies. “NS” = not originally supplied.
